Hi Team,

As scheduled for today, we upgraded below location Firewall and Panorama to the latest version. As per Akash team update we followed the upgrade path for Firewalls, 1<sup>st</sup> upgrade to 10.1.6-h6 and 2<sup>nd</sup> upgrade to 10.2.2-h2 and completed the same.

Thanks Akash, Prabhu and team for the suggestion and support during the maintenance window.

Thanks Megavarnam for hands on support provided.

# THANK YOU
